The Permanent Secretary
Ministry of Environment and Tourism
Gaborone, Botswana

Letter of endorsement – research permit application:
Gustaf Jensen and Axel Langenskiöld

I hereby confirm that Gustaf Jensen and Axel Langenskiöld are MSc students at the Department of Computer Science, Faculty of Engineering (LTH), Lund University, Sweden. The research described in their application, *"Minerals, movement and corridors of bull elephants in the Makgadikgadi"*, forms their master's thesis project. It will be carried out in collaboration with Elephants for Africa from 15 February to 15 May 2027.

I am their main supervisor, and Johan Lindström, Mathematical Statistics, Lund University, is their co-supervisor.

I have reviewed the research proposal and, on behalf of the Department of Computer Science, I endorse the project. I am confident that the research will be carried out in accordance with the research guidelines of the Republic of Botswana and the conditions of the permit, and that the results will be shared as the permit requires.

Yours sincerely,

Jonas Skeppstedt
Department of Computer Science, Lund University
